

## ***Debbie Wise, PT, DPT***

Debbie graduated from Indiana University in 1988 with a bachelor's of science in physical therapy. She received her doctorate of physical therapy from Regis University in Denver, Colorado in 2013. She completed all her coursework for orthopedic manual

physical therapy residency program through Evidence in Motion.

She started her career at OrthoIndy in November 2013. Her primary role is working at the OrthoIndy Northwest Outpatient Physical Therapy clinic as a physical therapist. Her favorite part of working in physical therapy is having the ability to work in a clinical environment with numerous highly skilled clinicians focused on obtaining optimal outcomes for their patients in order to assist them in returning to their desired activity levels. She also enjoys the clinic's focus on continued learning and advancing their education for the success of the patients and organization. Debbie appreciates the ability to be able to directly communicate with the physicians regarding patients in order to provide the most effective team approach to care.
