

Lyndi Lippelt, PTA

Lyndi graduated from Purdue University in 2006, receiving a bachelor's degree in child development. In 2008, she attended the University of Indianapolis to become a licensed physical therapist assistant. Lyndi started at OrthoIndy in August 2008. She

is currently a physical therapist at OrthoIndy Fishers Physical Therapy. Her favorite thing about her job is the people she works with. She has developed friendships and a close bond with her colleagues. She enjoys going to work everyday because it's rewarding to help people get normal back.
