

Melanie Brady, OT

Melanie graduated from Indiana University in 1995, receiving a bachelor's degree in occupational therapy. She has a specialty certification in hand therapy. She started her career at OrthoIndy in 2009, working as an occupational therapist in outpatient

and inpatient care at OrthoIndy Northwest Physical Therapy. She strives to provide the best care for patients by learning new techniques. One of the things she enjoys most about working at OrthoIndy is being able to share new ideas among her coworkers.
