

## ***Pennylane Farrell, PT***

In 2006, Penny graduated from IUPUI with a doctorate in physical therapy. She is also ASTYM certified. She started her career at OrthoIndy in February 2010. She currently is an inpatient physical therapist at Ortho-Indy Hospital Main.

Her favorite things about working in physical therapy is getting to see the progress a person can make from beginning to end. She finds it rewarding to see the difference she can make in a person's life.
