

# Emily Thieme, PA-C

Orthopedic Urgent Care Provider

At OrthoIndy's orthopedic urgent care, Physician Assistant Emily Thieme enjoys being part of a patient's first step on their journey to recovery. She values listening closely to each patient's concerns and helping them move toward solutions that restore comfort and mobility. Her goal is to provide timely, specialized care that ensures patients get expert attention when it matters most.

Emily earned her bachelor's degree in biology from Indiana University Bloomington and her master's degree in physician assistant studies from Butler University. She is board certified by the National Commission on Certification of Physician Assistants (NCCPA) and has dedicated her career to orthopedics, bringing experience and compassion to every patient she treats. Emily is also an active member of the American Academy of Physician Associates (previously known as the American Academy of Physician Assistants).

Outside of work, she enjoys staying active outdoors, cooking and spending time with her family.
